

September 13, 2010

Hi Bruce -

I'm finally getting around to sending you some information about things up North - Ontario.

I left the demonstrator with Camille and he was impressed with it from the demonstration from the one on my boat.

We'll see what plays out.

Also, a couple of pamphlets for places to go fishing, camping, etc. I'll be around to see you sometime. I truly like my new Anchor Wizard- Good Job.
